

Stay Visible, Stay Connected with our 3D media products

Eco-friendly Communication Tools

S PARTY NEWS

We are continuously searching for better ways to **reduce**, **reuse** and **recycle** and while we already have a wide range of products made from recycled plastics, or are biodegradable, we are still on a mission to improve our sustainability credentials and meet the growing demand for eco-friendly communication tools.

Magic Diamond

High-carat design, chock-full of facets

At first glance, the Magic Diamond is just a cube – but touch it, and it turns out to be a diamond in the rough, with up to 20 faces. With one flick of the hand, it changes its shape, turning from a prism into its final form.

Magic 3 Panel Pen Pot

Your interactive Billboard communication

An amazing cube pen pot that, when unfolded, turns into a panoramic billboard right on people's desk. The large panels give you the flexibility to communicate emotionally with wide pictures or to structure your training, onboarding or internal communication messages.

Each position is secured by magnets, to improve its handling and increase the magic.
